

DONATION TO THE BAL ASHA TRUST -2022

Charity plays an essential role in society. Charity helps people realize that it is possible to bless others in a world full of uncertainties and chaos. Giving to charity gives a deeper meaning to life and helps us see our purpose to the people in our society. Under the guidance and support of Rizvi Education Society's Rizvi College of Education and help yourself foundation the student teachers donated rations to Bal Asha Trust Children's home on 12/03/2022 as part of the student teacher's fourth community work. The Bal Asha trust takes care of children who are abandoned or destitute children. It provides the children an opportunity to educate themselves. They also place them in loving and adoptive families through a legal process. This community work was a very fulfilling experience for the student teachers. Human beings seldom think only about themselves about their needs and their wants but this donation gave the student teachers an opportunity to keep themselves aside and think about others by donating and bringing a smile on someone else's face. It was a very soulful experience.

Cancer Awareness Poster competition 2022

In India, the incidence of cancer is increasing rapidly; therefore it is important to step up cancer literacy and knowledge amongst the population. On 22nd June 2022 Rizvi College of Education initiated a cancer awareness program in which student teachers of SYBED participated in a poster making competition and they painted many cancer awareness related slogans.
