**Lingua Fiesta: Reveling in the Splendor of English.**

**Date:** 25th April, 2024

**"Language is the road map of a culture. It tells you where its people come from and where they are going."**

On April 25, 2024, the F.Y.B. Ed English Method students under the English Language Club had organized the event titled "Lingua: Fiesta: Reveling in the Splendor of English" to celebrate World English Language Day which is celebrated every year on 23<sup>rd</sup> April. The event was organized under the guidance of Mrs. Nahida Mandviwala the club coordinator. It was a vibrant celebration of linguistic diversity and cultural identity. The program underscored the significance of English as the global lingua franca while embracing the profound influence of Indian languages, throwing light on National Education Policy (NEP) 2020 and highlighting the policy's focus on mother tongues and local languages as mediums of instruction, promoting cultural identity and educational inclusivity and how the event is aligned to it. The event "Lingua: Fiesta" not only served as a platform for literary celebration but also as a reflection of the commitment to fostering an inclusive educational environment that respects and upholds our linguistic heritage.

The event coincided with the birth anniversary of William Shakespeare and the students reminisced the magical performances by S.Y.B. Ed students, where students breathed life into acts from Shakespeare's timeless narratives, thus bridging the past with the present in a theatrical tableau.

The celebration extended to commemorating World Copyright Day, elucidating the significance of this day dedicated to the global literary community.

To mark World Book Day the F. Y. B. Ed English Method students donated 4 copies of "The Alchemist" by Paulo Coelho to the College Library, which made a notable addition to the book collection.

The Fest also paid homage to 2 of the prominent figures in the field of Indian literature, Rabindranath Tagore and Sarojini Naidu. STudnets presented their works through a pictorial representation on the bulletin boards designed by them. The presentations were followed by library book display. This session offered an insightful exploration into their works" recitation of specific poems, thereby inviting the audience to delve into the poetic depths of spiritual transcendence and

sublime beauty. Thus celebrating the lyrical grace and rich cultural heritage encapsulated in their works.

“Lingua: Fiesta” was not merely an event; it was a profound celebration of the words, creativity and imagination and the language that define the very essence of our being. It fostered a deeper appreciation for literature and the arts among the attendees.
