

1) **Earth Day Webinar 2021** - Earth Day is celebrated worldwide on the 22nd April of every year. This year marks the 51<sup>st</sup> Earth Day celebrations. It is the day that makes all of us aware of our duties towards mother nature. This day is celebrated across the world and in all institutions schools, colleges, NGOs etc, Various activities and engaging seminars are also organised. On 26th April, 2021 the student council team organised a webinar on google meet on Earth Day at Rizvi College of Education. The guest speaker was Ms. Pooja Tendulkar, (co-founder of Lemnion Green Solution) threw light on solid & liquid waste management, the importance and ways of water treatment. The speaker steered the talk towards the theme of 2021 'Restore Our Earth' where she spoke of restoration. The session enabled the students to understand the need to be grateful for our planet, support the environment, and appreciate it by restoring our mother earth by banning plastic, reuse waste, adopt eco-friendly lifestyle so that we can restore our earth and also make our earth better place.

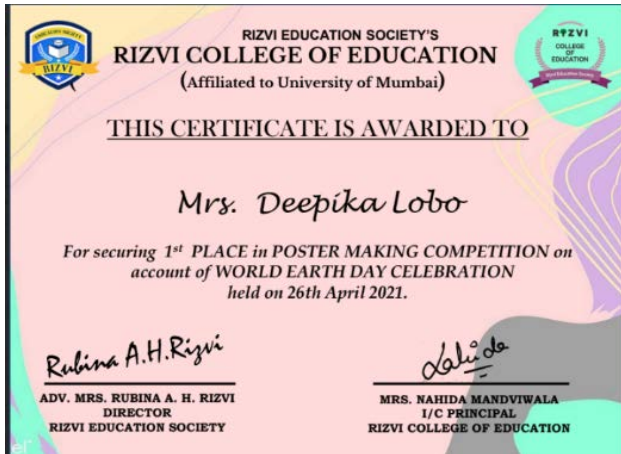

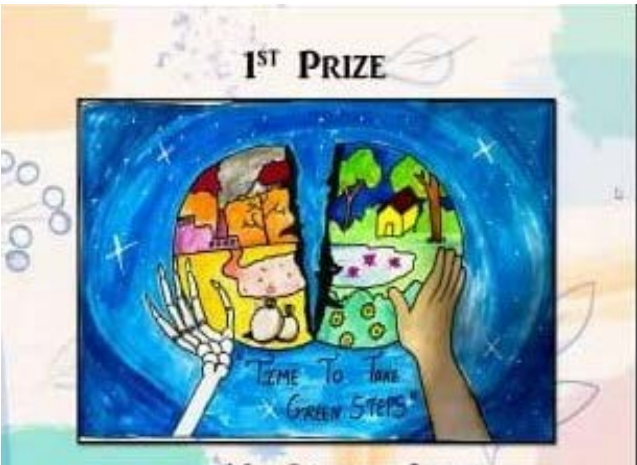

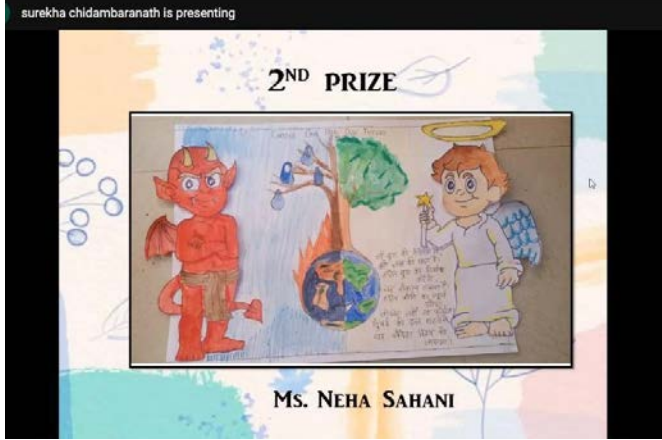

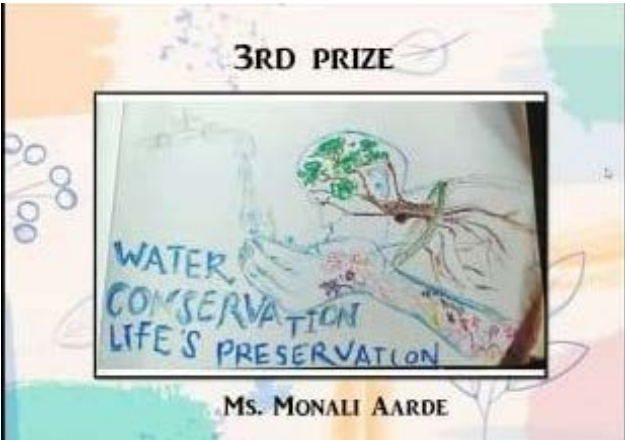

2. **Poster Making Competition – Theme- Restoration 2021** - On 26th April, 2021 a poster making competition was organised for the students of RCoEd on the occasion of World Earth Day. The theme of the competition was Restoration. It was an online event. Through this event student-teachers got an exposure to the prevailing problems and also how they can change their ways and restore our planet.

There were many beautiful posters that were made by our FY.B.Ed Student-teachers. Out of all the posters three winners were selected. The judge for the competition was Ms. Aarti Patil. They results were as follows-

- First place: Ms. Deepika Lobo**
- Second place: Ms. Neha Sahani**
