

## **\*\*Report on Visit to ADAPT for International Day of the Disabled\*\***

Rizvi College of Education's Guidance and Counselling Cell visited ADAPT on 2<sup>nd</sup> December, 2023 on International Day of the Disabled to raise awareness about disability rights and inclusion. The visit emphasized the importance of empathy, respect, and acceptance in creating an inclusive society. Student-teachers participated in inclusive games, art activities, and storytelling sessions, enhancing their understanding of disability and preparing them for future careers as educators. The visit was a profound learning experience, inspiring them to embrace diversity, challenge stereotypes, and champion inclusivity in their future careers.

Join us to celebrate a magical event on 2nd Dec, 2023, at 4:30 pm at ADAPT (formerly Spastic Society of India) Bandra, Mumbai, on the International Day of the Disabled.

"I choose not to place 'DIS,' in my ability.

Connect with advocates for disability rights and inclusion.

Nothing for the Disabled Without the Disabled.

Engage in empowering discussions on key disability-related topics.

Let's celebrate diversity, promote inclusion, and shape a world where "Nothing for the Disabled Without the Disabled" is a reality.

Our diverse audience includes people with disabilities, parents, government officials, corporate and private sector employers, lawyers, volunteers, supporters, eminent Mumbai citizens, celebrities, and dignitaries.

Celebrate the achievements and contributions of people with disabilities worldwide. Hear from impactful individuals, and enjoy performances and art by talented artists with disabilities.

We're committed to accessibility, so please request accommodation if needed.
