Christmas Decor Competition RCoEd (December 10, 2022)

On December 10th, 2022, Rizvi College of Education hosted a lively Christmas decor competition, bringing festive cheer to the campus. Student-teachers, organized into groups based on their internship affiliations, showcased their creativity and holiday spirit through enchanting decorations. The event not only fostered a sense of camaraderie among the participants but also provided an opportunity to celebrate the joyous season together. From intricate ornaments to dazzling lights, each group brought their unique flair to the competition, spreading warmth and merriment throughout the college premises.

Tableau for school

RCoEd (December 19, 2022)

On December 19th, 2022, the student-teachers of RCoEd performed a delightful tableau performance for the students of Rizvi Springfield High School in celebration of Christmas. This enchanting event brought the magic of the holiday season to life, captivating the audience with vibrant displays and heartwarming narratives. Through their creative efforts, the student-teachers crafted an immersive experience that resonated with the spirit of Christmas, spreading joy and festive cheer among the students and staff.

Steam Workshop RCoEd (December 21, 2022)

A recent Steam workshop was organized for student teachers at RCoEd, providing them with valuable insights into Science, Technology, Engineering, Arts, and Mathematics (STEAM) education. The workshop aimed to enhance their pedagogical skills and integrate interdisciplinary approaches into their teaching methods. Through hands-on activities and collaborative learning experiences, participants explored innovative ways to incorporate STEAM concepts into their lessons, fostering creativity and critical thinking among students. The workshop served as a platform for student teachers to gain practical knowledge and develop strategies for engaging learners in STEAM subjects effectively.

Induction & Orientation of batch 2022-24 RCoEd (January 7, 2023)

On January 7th, 2023, Rizvi College of Education extended a warm welcome to the incoming batch of 2022-2024 through an engaging induction and orientation program. As part of the welcoming ceremony, students of S.Y.BEd showcased their talents and leadership skills by conducting a demo assembly. This demonstration provided a glimpse into the vibrant and dynamic environment of RCoEd, setting the tone for the newcomers and acquainting them with the college culture. The demo assembly served as an excellent opportunity for the new students to witness firsthand the spirit of unity and camaraderie that defines the RCoEd community, encouraging them to embark on their educational journey with enthusiasm and optimism.

Orientation to Value Added Course "Tech Connect"

RCoEd (January 10, 2023)

On January 10th, 2023, FYBED student-teachers at RCoEd received an orientation to the value-added course "Tech Connect." This course focused on equipping student-teachers with essential tech skills thereby enabling teachers to embrace technology as a tool for effective instruction and engagement in the classroom.

Makar Sankranti Celebration RCoEd (January 14, 2023)

The FY.B.Ed Student-Teachers celebrated Makar Sankranti with great enthusiasm. The event highlighted the importance of Makar Sankranti and how it is celebrated. As prospective teachers, they understood that their students were as fragile as a kite, requiring a deep understanding of when to loosen the thread and when to hold it tight.

Pre Placement Talk RCoEd (January 19, 2023)

A pre-placement talk by Teach for India was organized for the SY student-teachers. The session provided valuable insights into teaching opportunities and career pathways within the organization. Students gained firsthand knowledge about Teach for India's mission and initiatives, empowering them to explore meaningful avenues in education and social impact.

Freshers Party

RCoEd (January 23, 2023)

On January 23rd, 2023, the SYBED student-teachers at Rizvi College of Education organized a vibrant Freshers party for the FYBED teachers, extending a warm welcome with great enthusiasm. The event brimmed with excitement as activities and games were enjoyed alongside cake cutting ceremonies. Embracing a retro theme, the FYBED teachers adorned themselves accordingly, adding a nostalgic touch to the festivities. The gathering served as a wonderful opportunity for both batches to bond and create lasting memories, marking the beginning of a memorable journey together within the college community.

Mock Interviews

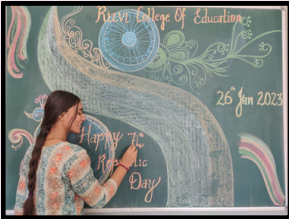

RCoEd (January 24, 2023)

On January 24th, 2023, the placement cell of Rizvi College of Education orchestrated a mock interview session as part of the ongoing placement process. The event featured insightful Pre-placement Talks conducted by participating institutions, shedding light on their respective institutions' curricula, job profiles, work locations, and salary structures. Representatives from a diverse range of organizations including International Boards, CBSE Schools, State Board Schools, Ed-Techs, and NGOs were present to engage in these sessions. The mock interview session equipped students with practical experience and enhanced their confidence for real-world job interviews.

Republic Day Celebration RCoEd (January 25 & 26, 2023)

On January 25th, 2023, the FYBED class at RCoEd commemorated the 74th Republic Day with a brief yet meaningful celebration. Students gathered to honour the significance of the day with patriotic fervor, acknowledging the rich heritage and democratic values of the nation.

Continuing the patriotic spirit, on January 26th, 2023, Rizvi Springfield School conducted a flag-hoisting ceremony, symbolizing the country's sovereignty and collective aspirations for progress and peace. The event served as a tribute to India's rich heritage and the sacrifices made for its freedom.

Pidilite Workshop

RCoEd (January 28 & 30, 2023)

RCoEd, in collaboration with Pidilite, hosted a workshop on teaching aids preparation on January 28th and 30th, 2023. Led by Mrs. Nilufer Barmare and Mrs. Sarika Hoskar, along with their expert team from Pidilite, the workshop aimed to enhance students' skills in creating effective teaching aids. Under the guidance of Dr. Priyanka Pandey, the college professor. Students received materials and learned firsthand how to craft teaching aids using epoxy compounds. Demonstrations included crafting a human heart, Harappan civilization coins, Mandela art, and bottle art designs. Additionally, students learned the art of Warli painting using old textiles.

Pariksha Pe Charcha RCoEd (January 28, 2023)

Pariksha Pe Charcha, held on January 28th, 2023, was a momentous event where Prime Minister Shri. Narendra Modi delivered a motivational speech aimed at students preparing for examinations. Addressing the challenges and anxieties faced by students during exams, the PM provided valuable insights and encouragement to navigate through academic pressures.

Placement Drive RCoEd (February 3 & 4, 2023)

The college's placement cell organized a placement drive on February 3rd and 4th, 2023, exclusively for SY BED student-teachers. The event featured participation from various state and international schools, as well as NGOs and EdTech companies, showcasing diverse career opportunities in education. Through interactive sessions, students connected with representatives, gaining insights into potential career paths. The drive exemplified the college's dedication to fostering meaningful connections and empowering aspiring educators.

A Visit to Kala Ghoda Fest RCoEd (February 7, 2023)

On February 7th, 2023, the F.Y.BED student-teachers embarked on a visit to the Kala Ghoda Arts Festival, immersing themselves in its vibrant ambiance and diverse cultural offerings. Throughout the day, they actively participated in various activities, embracing the artistic fervor and creative energy of the festival.

Sports Day

RCoEd (February 9 & 11, 2023)

Rizvi College of Education held its annual Sports Day on February 9th and 11th, 2023, hosting indoor and outdoor competitions. Students showcased their athleticism and sportsmanship across various events, from traditional games to modern challenges. The Green House emerged as the overall winner, demonstrating dedication and proficiency in sportsmanship. The event not only fostered camaraderie but also emphasized the importance of physical activity and teamwork within the college community, promoting a healthy and active lifestyle among students.

Storyboard creation

RCoEd (February 13, 2023)

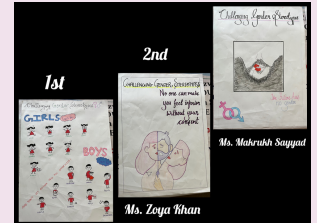

On February 13th, 2023, Rizvi College of Education organized a creative storyboard preparation session. Students were divided into groups, each comprising seven individuals, tasked with crafting unique stories from textbooks. This collaborative endeavor allowed students to explore their creativity and storytelling abilities while engaging with educational material in an innovative manner. The session provided a platform for students to showcase their narrative skills and enhance their understanding of academic content through storytelling techniques.

Poster Making Competition

RCoEd (February 20, 2023)

Rizvi College of Education hosted a compelling poster-making competition on February 20th, 2023, centered around the theme of breaking gender stereotypes. The event aimed to foster awareness and dialogue on challenging societal norms regarding gender roles. Among the participants, Fatima Khan, Zoya Khan, and Mahrukh Sayyad demonstrated exceptional creativity and insight, earning the top three prizes respectively.

Their artworks served as powerful statements advocating for gender equality and empowerment, reflecting the college's commitment to promoting inclusivity and diversity through artistic expression.

Investor Awareness Programme

RCoEd (February 25, 2023)

Rizvi College of Education conducted an Investor Awareness Program on February 23rd, 2023, assembling students in the basement for an informative session. The program aimed to enhance financial literacy and investment strategies, empowering students with valuable insights for their future. Through interactive discussions, attendees gained knowledge on investment planning, fostering informed decision-making in personal and professional domains.
