norm to ensure future success of students and success of those around them. Keeping this in view, Rizvi Education Society's Rizvi College of Education organised a two-day National Conference titled, 'Visualising 21st Century Educational Milieu: Achieving Skill Competence Through Unconventional Practices' on 17th and 18th December.

The conference was a platform for academicians, re-

ference Convener, Spoty Karthik (Organising Secretary) and Dr Rakhi Sowlane (Organising Secretary), Nahida Mandviwala, Dr Priyanka Pandey and Pooja Manghir-malani Mishra (Organising Committee Members). The event was sponsored by Indian Council of Social Science Research.

The conference saw participation of many delegates from different parts of India.

es of Vidya Thakur (Minister of State, Women and Child Development, Maharashtra).

The conference had seven technical sessions pertaining to various subthemes of the conference topics. Dr Doopti Mankad (director, Mindspeak) spoke on strengthening workforce through leadership development. Alisha Thakur (CEO, Lead Innovation) enlightened the audience on breaking

spoke on implementation of innovative strategies to promote effectiveness in education. Varsha Hooja (Trustee and CEO, Adapt) passionately spoke on social justice and psychological wellbeing in Inclusive education. Undertaking research practices for quality enhancement was deliberated by Dr Pooja Bir-watkar (Asst. Prof. K J Somaiya Comprehensive College of Education and re-

of Law, University of Mumbai) and Dr. Srivaramanga (Scientist and HOD, Dept. Of IT, University of Mumbai). Deliberations on various laws and trends in educational technology were discussed in the valedictory speeches by the guests. The two day conference was a great success and Rizvi Education Society envisages such forums in near future to promote quality education in India.
