Action Research Proposal Presentation

On April 19, 2024, Rizvi College of Education hosted a two-day Action Research Proposal Presentation, providing SYB.Ed students from the 2022-2024 batch a platform to present their research proposals. Each student delivered a concise five-minute presentation, guided by their respective professors, with an audience comprising mentors, teachers, and FYB.Ed students. The event fostered an environment of academic exchange, with each presentation followed by a discussion session, allowing for constructive feedback from professors and peers. The presentations showcased a diverse range of topics, reflecting the students' varied academic interests and dedication to their research. The active participation and guidance from professors were instrumental in refining the research proposals, while FYB.Ed students contributed to a collaborative and supportive atmosphere. This event not only allowed students to demonstrate their academic abilities but also encouraged scholarly growth and camaraderie within the college community.
