

ANNUAL SPORTS DAY-2017-2018

RCOED organised Sports day the teachers and the students of the college. It was planned and conducted by the sports in-charge, Prof. Gyanprakash Arya. It was held at the Juhu beach. Events like 100 mts running, 3-legged race, short put, throw ball, relay and tug-of-war was organised. The entire team of RCOED assembled at the venue at 7:00 am. Participation was 100% with full energy and enthusiasm. It was perfectly organised by the faculty-in-charge. The event ended around mid day with happy memories and a lot of workout. Below are a few glimpses of the event.

ANNUAL SPORTS DAY –2018-2019

RES's RCOED organized annual sports on 09/02/2019 at Juhu beach with FYBED and SYBED. Dr. Gyanpraksh Arya said in inauguration speech that annual sports day is an important event for trainee teachers for several reasons first for good physical fitness: Sports day encourages trainee teachers to engage in physical activities, promoting their overall health and well-being. Regular exercise helps improve stamina, strength, and cardiovascular fitness, which are crucial for teachers who often spend long hours on their feet and need to maintain high energy levels in the classroom. Second in learning Teamwork and collaboration: Sports day provides an opportunity for trainee teachers to develop and enhance their teamwork and collaboration skills. Participating in team sports or group activities fosters effective communication, cooperation, and coordination, which are essential qualities for teachers who frequently work in collaborative environments. He further said it increase Leadership and organizational skills: Trainee teachers can take on leadership roles during sports day, such as team captains, event organizers, or referees. These responsibilities help them develop leadership skills, including decision-making, problem-solving, and time management. Such skills are transferable to their future roles as educators, where they may need to lead and manage various classroom activities. Sir had announced list of sports activities which conducted later in very smooth way. Some glimpse of the event are as following-

ANNUAL SPORTS DAY -2019-2020

Engaging in physical activities through sports day can serve as a stress-relieving outlet for trainee teachers. Teaching can be demanding, and the opportunity to participate in sports and recreational activities helps alleviate stress, improves mental well-being, and promotes a healthy work-life balance for serving this noble cause RSE's RCOED organized Annual sports meet on 22nd February 2020 at Juhu Beach. Our Principal Dr.Radhika Vakharia addressed the students of FYBED and SYBED and said the event and sports would bring trainee teachers together in a more relaxed and informal setting, allowing them to interact and build relationships with their peers and mentors. These connections foster a sense of community, support, and camaraderie, which can be invaluable during their training and future teaching careers. Also, sports day offers trainee teachers the chance to learn valuable life skills such as discipline, perseverance, goal setting, and sportsmanship. These skills extend beyond the sports field and are applicable to various aspects of their personal and professional lives. By actively engaging in annual sports day, trainee teachers can benefit both physically and mentally, develop important life skills, and cultivate a positive and inclusive school environment.

ANNUAL SPORTS DAY -2021-2022

Rizvi College of Education had organized a 2 day Indoor & Outdoor Sports day for student teachers of Batch 2020-2022. It was a two day event. Day 1 was for outdoor sports that were held at Juhu Beach, Near Pagli Showroom Lane, Maneckji Cooper Bus Stop, Juhu Tara Road, Santacruz West, Mumbai 400054 at 7a.m. to 11a.m. The second day was dedicated to indoor games Day 2 sports took place in the college premises. Student teachers were placed into 4 houses/ teams. The houses were as follows-Red, Yellow, Blue and Green. Participation was according to the games. It was either a team participation or individuals representing their respective Houses. Performances were marked in the form of points. The house that scores the maximum points was to be awarded the "RCoEd Championship Trophy". In the outdoor games various games like shot put, 50 m and 100 m running race, lemon and spoon, three legged race were included. In the indoor games section on day two were chess carrom and skipping. On calculating the total marks for each house the yellow house was found to lead in both the game sections as a result the championship trophy was awarded to the yellow house. It was a completely fun event all the student teachers enjoyed to the fullest along with the teachers it was a nice break from the regular lectures as well as from the locked down restrictions.

Cultural Activities- 2020-21

On 20th March, 2021 the students of S.Y.B.ed had organized a fresher party for the students of F.Y. B.ed of Rizvi College of Education. The day was filled with excitement, joy, music, enthusiasm, laughter and happiness. The dress code for the fresher's day was "dress your best". The seniors started the celebration on google meet at 2.00pm and there was a welcome song, followed by college prayer, thought for the day and justification. The event started with **Antakshari** challenge from S. Y. Bed and they were asked the F Y. B,ed students to sing songs, so everyone got a chance to sing. When it was my chance to sing with the letter 'h' , I was quite shy to sing so my seniors and my friends helped me to sing the song. This activity continued for ten minutes and then the next game was on knowledge of vocabulary i.e., **text twist 2-puzzle word game**. All **F. Y. B.ed** students took part. The next activity was conducted by S.Y.B.ed students where students had to say **funny stories**. This was a very interesting activity These were the games we played and enjoyed a lot because we had to make new words with twisted letters. They ended the session with the national anthem. It was a successful event as many students participated. Especially for me, it was a new experience to take part in antakshari and to sing with everyone. We felt very special and a sense of togetherness after attending this event. This has motivated us to contribute to the upcoming event of Talent Hunt. Also, it was a thrill to participate and enjoy the fresher party on google meet. Finally we thanked the S.Y.B.Ed. students and also the Principal and our teachers and the team for the well-organized party for us.
