ASSEMBLY

Rizvi College of Education focuses more towards conducting the Morning assembly in an innovative and creative way. An assembly is a gathering of all or part of a college for purposes, such as special programs or communicating information. A routine attendance check may be done in such gatherings. A college assembly may include college prayer, prayer song, news headline, speakers, discussions among students, student talk, significance of the day, celebration of special days, rewarding or praising a student and other important discussions.

It helps in building a culture of communication and representation of academic and co-curricular activities. Morning assembly is a very important part of our culture. It helps to strengthen the way a college works. It also helps students to gather a lot of energy to do well and be good in their day. The program of the assemblies has the potential to nurture and maintain a positive, healthy college culture that binds everyone together. It also helps students from different classes to interact with each other and bridges the gaps of seniority-juniority between them.

- To develop unity among all the students and teachers and create an environment of school unity and to connect with your true self and god through Morning Prayer.
- To impart discipline in the lifestyle of students.
- To develop students about the sense of identity in the school and encourage school spirit.
- To share information, inform the students about daily activities and programs more clearly, and make important announcements.
- To motivate the students with appreciation, rewards, and accolades on performing well in academics and curricular activities.
- To motivate expression and overcome self-consciousness.
- To develop an aesthetic sense.
- To give an insight into experiential moments with anecdotes and stories and co-curricular activities.
- To introduce physical exercises into the lifestyle of students.

- To develop a spirit of patriotism, to provide a solemn occasion, to inculcate public speaking skills and to cultivate self-confidence and motivation in students.
- To develop correct audience habits.
- To familiarize the students with the common rules and ideals of the college.

Conclusion:

The school assembly is meant to fulfil the purpose of conventional gathering and for good. The above listed are some of the objectives/goals of the morning assembly that schools should focus on achieving for the sake of the development of students and the growth of the institution.

Assembly in the year 2021

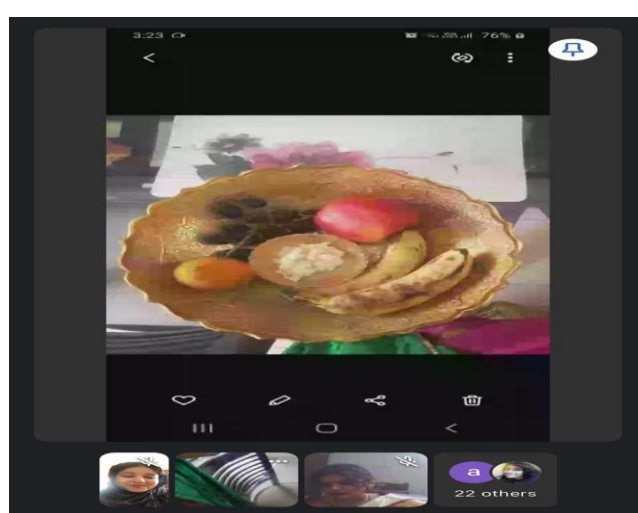

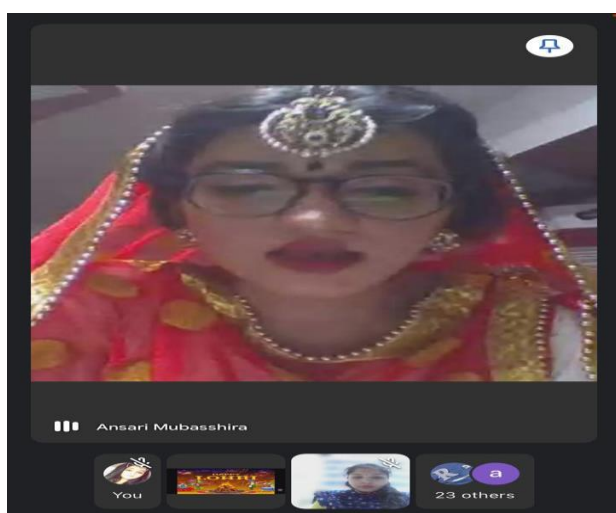

Assembly marks the beginning of a new day filled with not only optimism but abreast with the knowledge and current affairs. The year marked some innovative assemblies being conducted by the student-teachers not only through the online mode but also offline. A model assembly was conducted for the newly inducted batch of 2020-2022 where key components of the assembly were highlighted viz. College prayer, prayer song, thought of the day, word of the day, significance of the day, daily news, where we shared national and international news followed by snippets of sports and educational news, activity, Pledge/Preamble of the Constitution and National Anthem. The students conducted theme based assemblies where all the components of the assembly were beautifully integrated with one another. Some themes selected were; perseverance, world heritage day, Science and Mankind, etc.

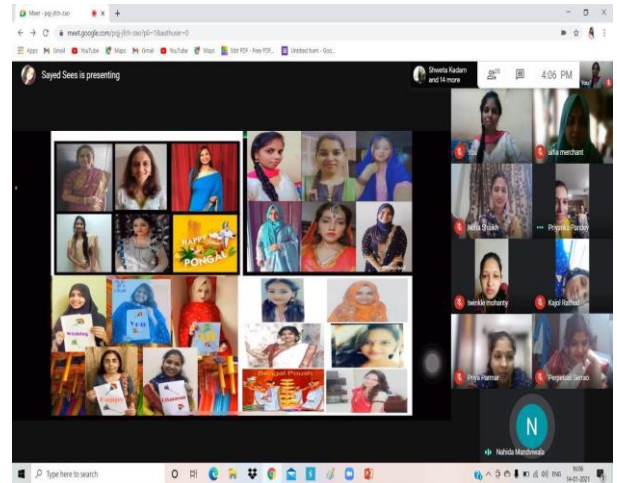

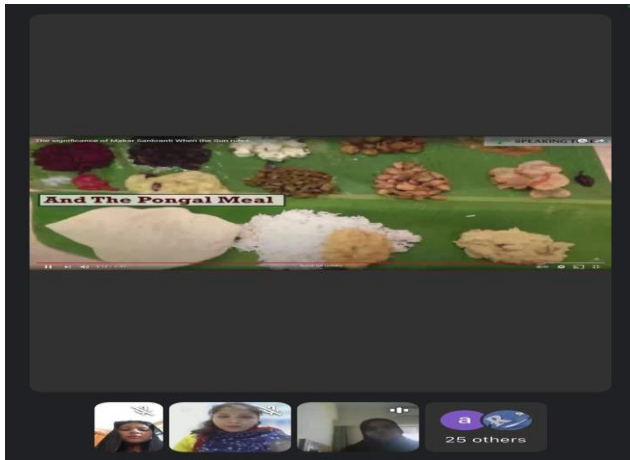

2020- Online special assembly performed on the occasion of Makar Sankranti
