RIZVI COLLEGE OF EDUCATION
(Affiliated to University of Mumbai)

Diwali celebration.

The student teachers of Rizvi College of Education, on the occasion of Diwali, on 8th November 2023, had prepared a special assembly. It was a one-day celebration organized at the premises of the college

The celebration began with a short special assembly conducted by FY. B. Ed students. The most attractive part of the special assembly was the board work prepared by the students of SY. B. Ed. They had depicted the significance of the festival of lights very neatly and clearly on the board.

The Diwali program was multidimensional in the form of competitions. There was Toran making, Rangoli creating, best out of waste, Diya decoration, and no-stove cooking competition. All the B.ed students participated in the program with zeal and zest. All the competitions began at 11 a.m. Students were provided with half an hour for every activity, and a minimum of two competition participations were compulsory for all the students.

The chief guests for the competition were the alumni of Rizvi College, Miss Zinat Quereshi and Miss Neha Sahani. The results of all the competitions were declared at the end of the program, and two prizes in each competition were offered to the best performers.

At the end of the program, the beloved principal of Rizvi College, Dr. Spoty Kartik, thanked the guests for attending and encouraging students to participate in the competition. The program concluded with the national anthem in the classroom.

As a student teacher, it was a successful program experienced by all of us. We all learn how to arrange competitions and them after it so that everything goes smoothly. This experience helps helps our preschool school to conduct various competitions. Overall the learning bestowed by our teachers can be culminated into our students' learning plan. It had enhanced our confidence in organizing competitions and festive events for the students.
