## SHRAM DAAN EVENT 2022

Rizvi College of Education organized a 'Shram Daan Event' on 1st October 2022, in commemoration of Mahatma Gandhi's 150th Birthday, aiming to instill values of community service and cleanliness among students. Led by professors Dr. Gyanprakash Arya and Dr. Priyanka Pandey, students participated enthusiastically in an hour-long Shram Daan activity, cleaning various areas of the college campus. The event sought to promote health, hygiene, and self-dependence among students, fostering a sense of responsibility towards maintaining cleanliness in their surroundings. Through Shramdaan, the college aimed to uphold the principles of labor, donation, and community welfare, aligning with the ethos of service inherent in teaching and learning. Divided into groups, students diligently cleaned areas like the staffroom, library, campus, and entrance, demonstrating their commitment to the initiative. This initiative not only promoted cleanliness but also instilled values of simplicity, labor dignity, and environmental consciousness, contributing to the holistic development of both individuals and society.
