

**Mrs. NEHA SHARMA  
ASSISTANT PROFESSOR  
RIZVI COLLEGE OF EDUCATION**

Mrs. Neha Sharma is a post graduate in Economics and Education. Her aim is to help students develop the necessary skills and competencies which they require to perform their tasks effectively in the classroom, school, and wider community.

She believes in putting her best effort and enthusiasm thus inspiring students by demonstrating a belief in their abilities and by providing the support students need to meet the ever challenging academic environment.

Having a substantial experience in teaching, she has learned the limitations of traditional methods of instruction and has made a commitment to finding new ways and meeting the needs of each student. This commitment eventually pushed Mrs. Neha Sharma to look forward to meeting challenges head on and instilling the same attitude among her students. She has been actively involved with research work and has conducted workshops and seminars for students.

Her specializations include Blending ICT in Education, Pedagogy of Teaching Commerce, Pedagogy of Teaching Economics and Environmental Education.
