ABOUT RIZVI COLLEGE OF EDUCATION

RCOED started in 2003 under the aegis of Rizvi Education Society. In a span of fifteen successful years, it has made a remarkable progress in the educational fraternity. It has emerged as a premier institute, creating teachers equipped with the latest trends and technologies in education. It provides dynamic training programs that empower teachers to meet the challenges in the ever changing global scenario. The credit for the success of this institute rests with its President – Dr. A. H. Rizvi, whose vision and endeavor to make a difference in the society led to the establishment and growth of RCOED.

ABOUT THE CONFERENCE

The changing scenario of world economy and advancement in information and communication technology has resulted in the beginning of many new trends in education. Modern day education is all about innovation, accessibility, and suitability. In today's world, education is about preparing kids to evolve, and matching pace with rapidly developing social and economic scenarios. Emerging trends refers to collaboration, digital literacy, new pedagogic paradigms, personalized learning and quality education. It aims to highlight most popular trends in education that can help teachers and students to become the innovative leader the world needs today. . It explores a new movement in education evolving trends and new pedagogic paradigm can change our way of life, ways of communication, and way of

thinking, feelings, and channels of influence on other people, social skills, and social behavior. The only question that strives is how prepared are our instructors to function in learner-centred classrooms and support personalised instructions? How receptive are our instructors to engaging students not just as consumers but also as producers of content? How prepared are our instructors to continuously learn new technologies?
