TARAWEEH DUA

- It is a very blessed and highly spiritual experience. **Taraweeh** refers to additional prayers performed by Muslims at night after the Isha prayer during the Holy month of Ramadan. Taraweeh prayers begin from the first Moon-sighted evening (start) to second Moon-sighted evening (last day of Ramadan).
- Practicing the act of offering this special prayer for the entire month of Ramadan strengthens the Muslims faith and encourages Muslims to do what pleases Allah Almighty and what makes Him happy.
