Report on Convocation Ceremony for the Batch 2019–2021

Rizvi College of Education organized the Convocation Ceremony for the students of the **2019–2021 batch** to formally confer degrees upon the successful graduates. The ceremony was organized to celebrate the academic achievements of the alumni and to strengthen the continuing bond between the institution and its former students.

The Convocation Ceremony was held on 20th May 2022 from 11:30 a.m. onwards at Rizvi College of Education. The programme began with a warm welcome address by Dr. Gyanprakash Arya, Coordinator, who welcomed all the alumni of the 2019–2021 batch. In his address, he informed the gathering that the distribution of convocation certificates had been delayed due to the COVID-19 pandemic and expressed his happiness at finally being able to organize the ceremony.

Prior to the convocation ceremony, a small alumni meeting was organized in the respective classrooms on the fifth floor of the college building. This meeting provided an opportunity for meaningful interaction between faculty members and alumni. The session encouraged reflection on academic experiences, sharing of professional journeys, and strengthening alumni engagement with the institution.

Following the alumni meeting, the formal Convocation Ceremony was conducted in a dignified and disciplined manner. The ceremony commenced with the University Anthem, after which the Principal Mrs. Nahida Mandviwala declared the ceremony open. Degrees were then formally awarded to the alumni by the Principal, Mrs. Nahida Mandviwala, along with the faculty members of Rizvi College of Education. The ceremony emphasized the values of academic excellence, professional commitment, and ethical responsibility in the teaching profession. After the ceremony was officially declared closed, a **photography session** was conducted to capture the memorable moments of the occasion.

The Convocation Ceremony for the **2019–2021 batch** was successfully conducted and proved to be a memorable and meaningful event for both the alumni and the institution. The combination of alumni interaction and the formal awarding of degrees made the programme
