The session was coordinated by Ms Nazia Mohd Farooq, Cell Coordinator, along with the support of Mrs Himangi Joglekar, member of the cell. The orientation began with an introduction to the concept of equal opportunity and the need to provide a fair and supportive environment for all students irrespective of their background. The students were informed about the objectives of the EOC Cell, which include promoting inclusiveness, addressing issues related to discrimination, and ensuring equal access to opportunities in education.

During the session, the speakers elaborated on the various initiatives and support systems provided by the cell. Students were encouraged to approach the cell in case of any concerns related to discrimination, inequality, or lack of access to resources. The importance of creating a respectful and inclusive academic environment was emphasized throughout the session.

The orientation was interactive in nature, where students were given the opportunity to ask questions and clarify their doubts. The session helped students gain a better understanding of their rights and the support mechanisms available to them within the institution.
