Activity Summary Report: Series 1 – Plastic Recyclothon

From **22nd July to 3rd August 2024**, the Environment Cell of Rizvi College of Education, in collaboration with Internship Schools, launched the **first initiative of the Green Guardian Collection Drive – Plastic Recyclothon**.

The drive aimed to spread awareness about the harmful impact of plastic waste and to encourage responsible waste management practices among student teachers. FY B.Ed. students actively collected plastic from their homes, communities, and the college campus, contributing to a total of **27 kgs of plastic waste**.

The collected waste was handed over to **MESCO**, a reputed recycling organization, ensuring its safe and sustainable disposal. Mr. Jahid Kazi, Collection Unit Head at MESCO, supported the process and later issued a formal acknowledgment appreciating the college's efforts.

Beyond collection, the initiative gave student teachers **first-hand experience in environmental stewardship**, preparing them to instill eco-consciousness in their future classrooms. The *Plastic Recyclothon* successfully set the tone for the Green Guardian series, making student teachers true guardians of sustainability.
