## Report on Educational Visit to Byculla Fire Station

The Environmental Cell of Rizvi College of Education organized an educational visit to Byculla Fire Station, Mumbai, on 4th October 2025 for the first-year and second-year B.Ed. students under the coordination of Dr. Shweta Srivastava. The visit aimed to provide practical exposure to fire safety, disaster preparedness, and community service. Students were introduced to the functioning of the Mumbai Fire Brigade through an orientation session, followed by a guided tour of the station. They observed firefighting tools, emergency vehicles, and safety equipment, and witnessed live demonstrations of fire hoses, extinguishers, and rescue procedures. The interactive session helped students understand fire prevention, emergency response, teamwork, and civic responsibility. The visit proved to be highly informative and strengthened students' awareness of safety education, making it a valuable experiential learning opportunity.
