Rizvi College of Education, under its Environment Cell and in collaboration with MESCO, organized a Waste Collection and Recycling Drive from 1st to 16th October 2025 as part of the Government of India's Swachhata initiatives under DARPG Prog 5.0. The drive aimed to promote waste segregation, recycling, and eco-friendly disposal of newspapers, old clothes, scrap materials, and e-waste in alignment with national sustainability goals. Student-teachers actively collected waste from schools, nearby communities, and their homes, while three daily contribution boxes placed in the college encouraged continuous participation. On 17th October, MESCO collected the accumulated waste for responsible recycling, with proceeds supporting their educational and empowerment programmes. The initiative helped students understand the 3Rs—Reduce, Reuse, Recycle—and contributed to community welfare. Overall, the drive successfully promoted cleanliness, sustainability, and social responsibility, reinforcing the vision of Swachh Bharat Abhiyan.
