## Report on Tree Plantation Drive

The Environmental Cell of Rizvi College of Education organized the Tree Plantation Drive 2025 on 23rd September 2025 at Father Agnel High School in collaboration with the school and the Help Yourself Foundation. Under the guidance of Principal Mrs. Nahida Mandviwala and coordination of Dr. Shweta Srivastava, internship students actively participated in planting Pomegranate trees and Aloe Vera plants, supported by Principal L.P. Yadave. The session included a brief orientation on environmental conservation, interactive discussions on the ecological benefits of plants, and a pledge taken by all participants to protect the environment. This collaborative initiative successfully promoted environmental awareness, strengthened students' responsibility toward nature, and inspired them to adopt sustainable practices for a greener future.
