

Educational Visit to Dilkhush Special School

The Guidance and Counselling Cell of Rizvi College of Education organized an educational visit to Dilkhush Special School on 11th February 2026 for F.Y.B.Ed. And S.Y.B.Ed. Student teachers. The visit was attended by Mrs Nahida Mandviwala (I/C Principal), Dr. Gyanprakash Arya, Ms Nazia Farooq (Cell In-Charge), and Mrs Salma Memon, along with the student teachers. The initiative aimed to provide practical exposure to inclusive education and special teaching strategies. Students observed classroom sessions, interacted with special educators, and gained insights into Individualized Education Plans (IEPs), assessment methods, and counselling support provided to children with special needs.

A key highlight of the visit was the vocational training unit, where children demonstrated skills in preparing artificial jewellery, crochet work, stitched products, greeting cards, and food items. These initiatives reflect the institution's commitment to promoting life skills, dignity of labour, and self-reliance, enabling students to earn independently after completing their schooling. Many student teachers encouraged the learners by purchasing handmade items. Overall, the visit fostered empathy, patience, social responsibility, and professional commitment among the budding educators, making it a deeply meaningful and impactful learning experience.
