SRMCAM Cancer Awareness Marathon RCoEd (December 1, 2024)

The Saquib Rizvi Memorial Cancer Awareness Marathon, held on December 1, 2024, at MMRDA Grounds, BKC, brought together hundreds in a spirited run for a noble cause. Organized by the Rizvi Group's Help Yourself Foundation, the event promoted cancer awareness and healthy living. The marathon featured 3 km, 5 km, and 10 km races, and welcomed participants of all ages. With scenic routes, well-placed hydration points, and medical support throughout, the event ran smoothly and safely. It kicked off with a powerful speech on early cancer detection and concluded on a high note with music, medals, and celebration. A perfect blend of fitness, unity, and purpose, the marathon left a strong message of hope and resilience.

Placement Opportunities in UAE (Talk by Charles Miranda) RCoEd (December 23, 2024)

The Placement Cell organized a talk on the IB curriculum, where Charles Miranda delivered an informative session at RCoEd on placement opportunities in the UAE, with a special focus on the International Baccalaureate (IB) system. He provided insights into the structure and teaching methods of the IB curriculum and shared valuable tips for aspiring educators. The session also included an engaging activity that gave participants a hands-on experience of the IB approach, making the session both interactive and insightful.

Regional booth celebration RCoEd (December 11, 2025)

The Language Club hosted a vibrant and immersive event celebrating India's rich linguistic and cultural diversity. Classrooms were creatively transformed into state-themed booths, each representing a different region of India. Students dressed in traditional attire enthusiastically showcased regional scripts, folk tales, arts and crafts, historical facts, and native cuisines, creating an engaging and educational atmosphere. Informative displays and interactive presentations helped participants learn about local dialects, alphabets, proverbs, and literary traditions, highlighting the uniqueness and richness of each language aligned strongly with the National Education Policy's (NEP) vision of fostering multilingualism, inclusivity, and cultural appreciation in education.

Value Added Course- Soft Skills Training RCoEd (December 16 - 24, 2024)

The Placement Cell successfully conducted a value-added course titled Comprehensive Soft Skills & Interview Preparation for Teachers for SYB.Ed students. Held over six days, this course focused on enhancing the employability of pre-service teachers by sharpening their soft skills and equipping them with practical interview techniques. This impactful initiative was made possible under the guidance of our respected patrons, Dr. Akhtar Hasan Rizvi and Adv. Mrs. Rubina A. H. Rizvi. The event was efficiently coordinated and facilitated by Ms. Jyoti B. Bhatia.

Christmas Celebration RCoEd (December 24, 2024)

The Cultural Committee organized a joyous Christmas celebration that brought festive cheer and togetherness to the campus. The event featured a heartfelt skit depicting the birth of Jesus Christ, beautifully performed by the students, capturing the essence of the season with sincerity and devotion. Complementing the skit, a melodious carol was sung, adding to the spiritual atmosphere of the occasion. To further enhance the festive spirit, interactive games were organized, creating moments of laughter and bonding among students and faculty. The celebration successfully reflected the values of love, unity, and togetherness that define Christmas.

Lohri & Makarsankranti celebration RCoEd (January 13 - 14, 2025)

The Cultural Committee of F.Y.B.Ed batch celebrated the vibrant festivals of Lohri and Makar Sankranti with great enthusiasm, organized by the Cultural Committee. The celebration brought together students and faculty in a joyful atmosphere filled with cultural spirit and community bonding. As part of the Lohri festivities, students participated in a lively walk within the college premises, capturing the traditional spirit of the occasion. Various engaging games and fun activities were also conducted, encouraging active participation and adding to the festive cheer. The event was both entertaining and meaningful, offering students a delightful cultural experience.

Creative Educator Series: Crafting Engaging Teaching Aids RCoEd (January 17 & 18 2024)

In collaboration with Pidilite, the Research and Development Cell conducted a two-day workshop titled From Vision to Creation. Facilitated by Mrs. Shilpa Mhatre, for the students of both the batches, the session focused on empowering future educators to craft innovative and effective learning resources. Participants enthusiastically engaged in hands-on activities that emphasized creativity in classroom material development. The workshop provided valuable insights and practical techniques, enabling educators to design interactive and engaging resources, making it a highly beneficial and inspiring experience. The workshop encouraged collaboration and ended with a showcase of creative learning materials, celebrating participants' innovation and effort.

Visit To Nehru Science Center RCoEd (January 21, 2025)

The Science & Mathematics Club organized a visit to the Nehru Science Centre for both the batches, and it was a fun and educational experience "The students explored a wide range of interactive exhibits that made science exciting, engaging, and easy to understand. As we walked through the centre, we were fascinated by the creative displays that brought scientific concepts to life in a fun and accessible way". One of the most interesting parts was learning about different species of animals and their habitats. The science shows and 3D models were fascinating and helped us see science in action. The students had the opportunity to observe how science can be integrated into classroom teaching through simple experiments helping us relate theoretical knowledge to practical applications.

**Republic Day
RCoEd (January 26, 2025)**

Republic Day was celebrated with great pride and patriotism, beginning with the unfurling of the national flag and the singing of the national anthem. Students delivered powerful speeches on the significance of the Indian Constitution and the role of educated citizens in shaping the nation. The event featured cultural dances, patriotic songs, and a thought-provoking Nukkad natak, portraying freedom fighters and contemporary challenges. Reflections on democracy, justice, and liberty highlighted the importance of these values in education. The celebration served as a meaningful reminder of our responsibilities toward the nation.

**Annual Sports Day
RCoEd (February 22, 2025)**

The Sports Club organized, Annual Sports Day was a joyful celebration of athletic skill, teamwork, and school spirit. It began with a lively warm-up and an enthusiastic opening ceremony. Students actively took part in a variety of events, such as 100m and 200m sprints, long jump, tug-of-war, sack race, relay races, kickball, chess, and Sudoku, showcasing both physical strength and mental sharpness. Fun games were also organized for faculty and non-teaching staff, adding to the excitement. The day ended on a high note with a prize distribution ceremony that recognized participation, effort, and excellence in every event.

**HYF Mega Health Camp
RCoEd (February 3 & 4, 2025)**

Help Your Self Foundation, organized a comprehensive two-day medical camp dedicated to the well-being of students, staff, and members of the local community. The camp provided a range of free health checkups, including blood tests, eye examinations, dental checkups, and breast mammography screenings. These services were carried out by a team of qualified doctors, nurses, and healthcare volunteers, who ensured that every participant received proper care and guidance. The initiative aimed not only at offering preventive healthcare but also at facilitating the early detection of potential health concerns. Moreover, the presence of expert consultations allowed many attendees to seek medical advice and receive referrals for further treatment where necessary.

**International Women's Day Celebration
RCoEd (March 8, 2025)**

International Women's Day was enthusiastically celebrated by the Women Development Cell through an inspiring program that honored the strength, resilience, and achievements of women. The event featured impactful talks by professionals and representatives from NGOs like S.H.E.D., Myna Mahila Foundation, and Akshara Centre. Skits, poem recitations, poster presentations, and a pledge ceremony promoted gender equality and sensitivity. A live orchestra added a vibrant cultural touch. The celebration reinforced the college's commitment to a safe, inclusive environment and left a lasting sense of unity and empowerment.

Creative Educator Series 4 -

Puppet With A Purpose Bringing Lessons to Life
RCoEd (March 15, 2025)

The Research and Development Cell hosted a lively and creative workshop titled Puppet with Purpose: Bringing Lessons to Life, conducted by Ms. Kajol Rathod for both the batches. The session introduced participants to the world of puppetry as a pedagogical tool. Pre-service teachers learned how to design and use puppets to engage students and bring classroom lessons to life, combining fun with meaningful learning. The workshop also highlighted the role of puppets in enhancing storytelling, simplifying difficult concepts. Participants actively took part in hands-on activities, creating their own puppets and presenting mini lesson ideas. The workshop left them inspired to use puppetry as an inclusive, joyful, and impactful teaching strategy.

Innovative Lesson - Inquiry Training Model
RCoEd (March 27, 2025)

The IQAC Cell conducted a session on the Inquiry Training Model for students of both batches, led by Dr. Gyanprakash Arya, who conducted a live demo on the model. The session was engaging and insightful, as we learned how to make lesson plans more meaningful by encouraging inquiry and student participation. The demo, also presented by two students, highlighted how this model fosters critical thinking and enhances the learning experience. It was a valuable session that provided practical ideas for creating interactive lessons. The session encouraged us to shift from teacher-led instruction to a more student-centered approach. It also gave us the confidence to experiment with inquiry-based methods in our own practice teaching.

Student Contribution

Nation Woven in Diversity

Welcome to India, a land so grand
Where cultures unite, hand in hand
Festivals bloom with colours so bright,
A nation that dances in joy & light.

From every corner, a tale is told
Stories of wisdom, brave & bold
Languages differ, yet hearts align,
Unity in diversity, a bond divine.

Every state, a heritage deep,
Ancient customs that time will keep
Be it harvest or lights, so fair

We celebrate traditions with love and care.

Many tongues, one melody sweet
A song of harmony, voices meet.

Through language, we learn, we share
A bridge of understanding, beyond compare.
Craftsmen weave dreams with golden thread

Markets thrive where hopes are spread
From bustling streets to hills so high
India's hands let visions fly

Respect we give, respect we earn

In voices of wisdom, we humbly learn
No borders in thought, no chains in sight

We empower our youths to reach new heights.

A home for all, where faith stands tall

In every soul, there's space for all

Together we rise, together we stay

In India's heart, love finds a way.
