Activity Summary Report: Visit to HBCSE for National Science Day

As part of the National Science Day celebrations, the Science and Mathematics Club of *Rizvi College of Education* organized an educational visit to the **Homi Bhabha Centre for Science Education (HBCSE)** on **28th February 2025**. The visit was attended by 18 First Year B.Ed. student-teachers, while the Second Year B.Ed. student-teachers actively participated in the poster-making competition held on campus. During the open-house event at HBCSE, student-teachers explored a wide array of live science exhibits, mathematical models, astronomy sessions, and innovation displays that celebrated the spirit of scientific inquiry and creativity. The interactive demonstrations provided valuable insights into how science, mathematics, and technology interconnect in real-world contexts.

Meanwhile, on the home campus, **Samreen Shaikh (SY B.Ed.)** represented the college in the poster competition and won the **First Prize** for her creative and impactful depiction of the theme, bringing pride to the institution. The event offered meaningful learning experiences, helping student-teachers develop inquiry-based, experiential, and creative approaches to teaching. It reinforced the club's commitment to nurturing scientifically aware and innovative educators capable of inspiring curiosity and exploration among future learners.
