Nature's Diwali – Celebrating with Petals, Not Plastics

Rizvi College of Education celebrated Diwali on 16th October 2025 with an eco-friendly theme titled “*Nature's Diwali – Celebrating with Petals, Not Plastics.*” Organized by the Student Council (2024–2026), the event was held in Room No. 504 and aimed to promote environmental awareness and sustainable festive practices among students.

The programme began with the ceremonial lamp lighting by the Principal and faculty members, symbolizing the victory of light over darkness and knowledge over ignorance. This was followed by a soulful prayer song presented by FY and SY B.Ed. students, creating a peaceful and spiritual atmosphere.

Students highlighted the significance of Diwali and emphasized the importance of celebrating the festival responsibly by using natural decorations such as flower petals instead of plastic materials. A special attraction of the celebration was a short film presented by SY B.Ed. students, portraying teachers as guiding lights who inspire and bring positive change in students' lives.

To make the event interactive and enjoyable, fun games and engaging activities were conducted, encouraging teamwork and enthusiastic participation. The celebration concluded with the distribution of sweets among the Principal, faculty members, and students, spreading the message of happiness, togetherness, and positivity.

The programme ended with a heartfelt vote of thanks, appreciating the efforts of the organizing team and participants. “Nature's Diwali” successfully blended tradition, creativity, and environmental responsibility while inspiring students to celebrate festivals in harmony with nature.
